Dear Sir

I saw recently a photograph
from the painting of "Charlotte Corday"
issued somewhere in Washington and
desire to possess one. Can you tell
me where they are to be obtained, and price.
The picture represents her standing looking
through the bars of her prison cell.
If you can give me the information I
will be much indebted.

Dear Mr. Woodhead,

Many thanks for
your letter telling me that
Dove had arrived safely

I found that I had
left out a very important
part of my letter, concerning
the fragment of the picture
which I so much need
to meet a bill coming
due in Rome in a few
days. Hoping to receive the
check in a few days, which
will allow me to come
on for a few days before
leaving for Italy. I am
sure I will spend about
leaving the same re-
sulted. I had not
seen the

picture for five a year!!
but I could not wait
and so put on the
picture at once.

Wishes for your best
and success in all your
endeavors, believe me very
sincerely,
Sincerely yours

To Sec. Corcoran Art Gallery,
Washington, D.C.

Dear Sir -

I propose conducting a party of ladies and gentlemen comprising the teachers and school directors of Adams County, Pa. and numbering probably 300, to the Public Building and other places of interest and instruction in your city on Saturday Dec. 5. next.

I would regard it as a great favor, which I shall be most happy to reciprocate at any time, if you would inform me at your convenience whether the Corcoran Art Gallery will be open for free admission on that date, whether a party so large as ours will probably be (300) can advantageously

visit it at the same time, and at what
 hour such visit would be least obtrusive.
 Also please indicate the minimum length
 of time we should probably require to see
 your magnificent collection with profit to
 ourselves. I ask for this information because
 I have never had the pleasure of visiting
 your gallery.

We expect to arrive in Washington about
 10 A. M. and leave about 5 P. M.

Any information you may see fit to give
 me in reference to this matter will be
 thankfully received. Our object is
 instruction and improvement. My teachers
 are for the most part poorly paid, and
 must of necessity make a hasty visit
 to Washington, if at all.

Hoping for an early answer I remain
 Yours Respectfully Aaron Sheehy

Dr. Wm McLeod.

My Dear Sir

I have modeled a small bust of Gen Grant which is being reproduced in bronze. All who have seen it say it is the best likeness there is of him.

It is too small to put on exhibition at the Gallery so I wish to ask if you will allow it to stand on your desk for a few weeks. It will take up no room and I know you will be interested in it.

My Uncle is losing slowly and now has a nurse to be with him all the time. How is Mr. Lincoln this winter?

I hear of new acquisitions
to the gallery which is always
good news to me.

With kind regards I am

Sincerely Yours

Dear Mr. McLeod

It is my intention
to go to Washington next
week - where I expect to remain
for several weeks, and during
my stay there I wish to paint
again in the Corcoran Art
Gallery. I wish to copy
"The Lost Dog" and I trust
there is no one copying it now
- so I can commence it next
week -; if that painting is
already applied for then, I
wish to apply for permission

to copy the - "Beach at
Scheveningen, Holland" -

I hope to be at the Gallery
on Tuesday or Wednesday.
